

Supervisory Board 2016

The NLR Supervisory Board comprises 6 members, each of whom matches a particular professional profile. Based on their specific expertise, new members are selected by the Board itself for a period of four years, with the possible extension of a second term. In 2015, the second term for chairman Max van den Berg ended. From 2016, Bram van Ojik was appointed chairman. By the end of 2016 Mrs Gerrien Anbeek decided not to apply for a second term and resigned. The vacancy was published early 2017.
